

Watering Restrictions

All residents are required to abide by the following watering restrictions:

Hours of Operation

*Irrigation sprinklers shall only be operated between the hours of **7 pm and 9 am**.

*Drip irrigation systems may be operated between hours of **6 pm and 11 am**.

Begins at 12:00 am, and ends at 11:59 pm, on your watering day, noted below

Alternating Watering Days

***Even-numbered addresses**- irrigation is allowed on Tuesdays, Thursdays and Saturdays.

***Odd-numbered addresses**- irrigation is allowed on Wednesdays, Fridays and Sundays.

Watering is not permitted on Mondays

Residents must contact District Management to request additional watering on newly sodded areas; once request is approved, residents may have up to 2 weeks of additional watering, not exceed greater than 10-15 minutes in duration of watering time, per occurrence
